Sir:

**REQUEST UNDER 37 CFR 1.28(c) TO EXCUSE ERROR  
IN PAYMENT OF SMALL ENTITY FEES**

It has been discovered that small entity status was erroneously established in the above application and certain fees in connection with the above identified patent application and maintenance of the patent issued thereon (if applicable) were erroneously paid as a small entity without any deceptive intent. Upon a review of the circumstances, it is presently believed that the large entity fees should have been paid. Because it was not appreciated that small entity status was erroneously established, without any deceptive intent, no notification of change in status resulting in loss of entitlement to small entity status was filed in the Office, as required under 37 CFR 1.28(b).

In accord with the provisions of 37 CFR 1.28(c), the deficiency between the amount paid and the amount due is submitted herewith, wherein the deficiency calculated based on the fee, for other than small entity, in effect at the time the deficiency is paid in full. The fee is calculated on the attached schedule showing the fees actually paid and the present fee in effect for other than small entity.
